Following each classification below is the announcement of a progressive reliable concern, which is prepared to offer special facilities to the "Mail Order Trade," particularly to farmers and those who reside some distance from the conveniences of the city stores. Owing to the extension of the rural free delivery service throughout this section, it is no longer necessary to "come to town" to do your shopping. Simply make your selection from the gaods listed below, or write for information, which will be gladly mailed, and then send your order by mail. The cencerns listed on this page are selected as representative, and may be classed as headquarters in their particular lines. When writing for catalogues or information, always mention The Times-Dispatch.
